## Purpose

This report presents information about NSES, highlights the progress made toward achieving our goals for the 2024-2025 school year, and shares our goals for the 2025-2026 school year.

Our School Improvement Council reviews our goals and achievements and reports progress to our school family and community.

## NSES by the Numbers

303 Students
Grades 3-5
26 Teachers

## 2024-2025 Highlights

Our 3rd, 4th, and 5th grade students scored above the state average in ELA and math on the end-of-the-year statewide assessments.

On our South Carolina School Report Card, we received a "Good" rating for 2023-2024 school year.

Satisfaction with home-school relations remained around 93% as indicated by the school report card.

## Student Assessment

The end of the year statewide assessment measures student achievement in reading and math. Students did not receive scores in Science this year. Below is the percentage of students scoring meets or exceeds.

| 2024 | NSES | State |
|---|---|---|
| SC Ready ELA | 64.4% | 53.9% |
| SC Ready Math | 66.4% | 40.9% |
| SC Ready Science | N/A | N/A |

## Goals for 2024-2025

Student Achievement
Increase the percentage of students in grades 3-5 scoring meets or exceeds by 3% on SC Ready in ELA and math

Incorporate inquiry-based units and lessons within the curriculum in order to engage students in active learning and real-world problem-solving

Implement targeted, small group reading instruction to increase student achievement in reading

Teacher/Administrator Quality
Increase the number of teachers satisfied with home-school relations by 2% as indicated on the school's report card

School Climate
Increase the percentage of parents satisfied with home-school relations by 2% as indicated by the school's report card

Provide opportunities for students to lead in-class conferences with parents regarding their achievements and grades
