

Ms. Monica Pate
2012-2013 Teacher of the Year

Performance Goals

As part of our ongoing process of improvement, our school improvement council developed three performance goals to guide future growth.

- *The percentage of our third grade students who score met and exemplary in mathematics and English language arts as measured by the PASS assessment will increase in math from 78.7% in 2012 to 94% in 2017, and in ELA from 80.8% in 2012 to 96% in 2017.*
- *The number of discipline referrals will decrease by 50% by 2017.*
- *We will have 100% of the teachers, administrators, and paraprofessionals ranked as highly qualified by June, 2014.*

It is the mission of Sumter School District to provide an intellectual, safe, and nurturing environment, which equips students to be responsible, successful, and productive citizens in a global society.

Sumter School District does not discriminate on the basis of race, color, religion, national origin, sex, disability, or age in admission to, treatment in, or employment in its programs and activities. For inquiries regarding the policy, contact the Chief Operations Officer or the Director of Specialized Programs, Sumter School District, 1345 Wilson Hall Road, Sumter, SC 29150 or call 803-469-6900.

Governor's Honor Award 2008
SACS Accreditation 2008-Current
HUGS Award 2008
Palmetto Silver 2004
Clean School Award since 2004

Needs Assessment

During our recent school renewal process, our school and community representatives agreed that Shaw Heights Elementary should continue to focus on student achievement, teacher/staff recruitment and retention, and school climate. These areas remain part of our focus for improvement, and strategies have been developed and implemented to address them.

Our instructional strategies and activities, school-wide benchmarks, measures of academic progress, clearly defined goals and objectives, and professional staff development are all an integral part of our initiative to increase students' proficiency in all areas on the Palmetto Assessment of State Standards (PASS). We continually strive to meet the challenges set before us with your help.

Shaw Heights Elementary School

Shaw Heights Elementary Report to the Public

Shaw Heights Elementary is a Title I school providing students in grades two and three a great place to learn. Our School Improvement Council has made a commitment to provide support for the school's mission and performance goals, and to encourage the involvement of the community. We appreciate the support of parents and community members and see this support as an integral part of our success. We met AYP and earned the Palmetto Gold Award in 2010 and 2011 based on the results of our PASS scores. Our 2011 absolute performance rating was EXCELLENT and our improvement rating was EXCELLENT. We are pleased with our students' academic progress.

Our teachers continue to use standard based instructional plans, and provide students with critical thinking skills and problem solving activities. Our teachers utilize test data to focus on programs that will help to increase student achievement by reinforcing weak areas. We have a child study team, computer lab, accelerated reader, parent volunteers, parenting workshops and other programs in place to meet the needs of the students at Shaw Heights Elementary. Our students participate in art, PE and music programs. The Shaw Heights chorus sings at a variety of school functions and community events.

We will continue to utilize research, involve our parents and community members, and focus on appropriate academic planning and instruction to improve the achievement of each child attending Shaw Heights Elementary.
