Updated Needs Assessment & Activities

Updated Needs Assessment

- With implementation of Common Core State Standards (CCSS) in 2013-2014, building teacher knowledge of the new standards will be a continued instructional focus.
- Continue to strengthen our focus on Project Based Learning (PBL) while emphasizing specific strategies to ensure all students are engaged in critical thinking, creativity, collaboration, and communication.
- OES will continue to use data to develop and enhance the school's instructional focus to increase achievement as indicated by the Measures of Academic Progress (MAP) and Palmetto Assessment of State Standards (PASS) tests.
- Continue to expand our focus on writing and developing units of inquiry through our partnership with Mrs. Dawn Mitchell and The Spartanburg Writing Project.
- Continue to expand our focus on making available to students and teachers various technologies to enhance classroom instruction and student learning.

OES Mission Statement

"In partnership with families and the community, Oakland Elementary School exists to prepare students for tomorrow's world through various academic and social experiences within a safe, supportive environment."
