Character Education:

This year we continued to focus on one character trait per month which were our Hero Habits. At the end of the month each teacher chose a student in their class that went above and beyond to demonstrate this habit. Students were recognized in front of their peers and celebrated. They had their picture taken and it was displayed in the main hall for the remainder of the month.

**Matt Johnson,
Asst. Principal**

Mission Statement: In partnership with families and the community, Oakland Elementary School strives to put students first by providing a challenging learning environment that empowers, nurtures, and prepares students to become self-directed, responsible, lifelong learners and productive citizens.

State 37.3% (112523 / 301914)

When you visit our school...

We want you to see us involved in: rigorous learning activities, making new friends, technology, reading, writing, thinking, making decisions, solving math word problems, reflecting, guided reading, guided math, discussions, conferences with our teachers and peers, and picking out a just right book. What we also want you to see is our school is full of happy kids who love learning in a place that we feel safe, happy, and loved.

#itsgreattobeanallstar

"Educating the mind without educating the heart is no education at all."

-Aristotle
