# Student Assessment

## **Fountas & Pinnell Benchmark Assessment System (BAS)**

The Fountas & Pinnell Benchmark Assessment Systems provides teachers with precise tools and texts to observe and quantify specific reading behaviors, and then interpret and use that data to plan meaningful instruction.

### **Kindergarten (at or above grade level)**

Spring – Fountas & Pinnell – Level D	
2021-2022	76%
2022-2023	59%
2023-2024	68%

## **Measure of Academic Progress (MAP)**

MAP is a standardized, computer-based test to measure student achievement and growth in math and reading.

### **i-Ready Diagnostic**

The i-Ready Diagnostic is an adaptive assessment that adjusts its questions for each student. As a student answers correctly, the questions get more difficult. As a student answers incorrectly, the questions get easier. This adaptability allows the i-Ready Diagnostic to identify the strengths and opportunities for growth of each student.

Beginning the 2023-2024 school year the MAP standardized test switched to the i-Ready adaptive assessment.
