Florence Chapel Middle School
Summary Report School Year 2010-2011

MESSAGE FROM THE PRINCIPAL

Greetings! It is hard to believe but it is time for our summary report for 2010-2011.

We have had another good year at Florence Chapel. Our Academic Team did well in the Battle of the Brains competition. The team also deserves congratulations for finishing second in the state in Knowledge Master competition. We have 29 students recognized as Junior Scholars this year and 6 Duke Tip Scholars. We continue to have large numbers of students taking Honors Algebra and Honors English for high school credit.

Our staff development has been dedicated to the goal of improved achievement for our students. We are using the Learning-Focused Model to reach our goal.

We also developed our strategic plan for the next five years. The School Improvement Council and our school staff were very instrumental in the development of this plan. We have the results of our school report card in this publication. Please note that we met 20 out of 21 objectives on our AYP results compared to 19 of 21 the previous year. We also maintained our absolute and improvement rating this year.

Thank you for supporting Florence Chapel Middle School. Please stay involved. We need your input as we strive to improve.
