SIC Annual Goals

Goal 1: Increase communication between parents and the school

Several forms of communication are in place for our parents. These include school webpage, Facebook, Class Dojo, teacher emails, teacher newsletters, and phone calls and emails generated from PowerSchool. Communications sent in English and Spanish per the needs of our families.

Goal 2: Provide Families with Opportunities to engage within school environment

In compliance with our COVID-19 safety protocols, AES offered virtual opportunities for parents to engage with the school. We held a virtual PTO Open House, parent-teacher conferences, Family Reading Night, SIC/Title 1 meetings, and both virtual and in-person Student Assistance Team meetings.

A New Year brings new **GOALS** for our students at AES. Administrators, teachers, and staff regularly review our students' academic data. As we track student growth, our team sets SMART (Specific-Measurable-Attainable-Rigorous-Time Bound) goals for our students to meet. This year our school-wide goal focuses on literacy:

At Arcadia Elementary School, we will increase 5% in overall student achievement, as measured "meets or exceeds", on the 2021-2022 SC Ready ELA assessment.
