SIC Report to Parents

2020-2021

375 Spring Street
 Spartanburg SC 29301
 864-576-1371

SIC Annual Goals

Goal 1: Maintain a safe and clean learning environment

COVID-19 has presented numerous challenges this year and providing a safe, clean, and healthy learning environment has been paramount to a successful year. Specific safety guidelines have been incorporated into our daily routine. In addition, AES parents were given the option of in-person or virtual education for their children.

Goal 2: Increase communication between parents and the school

Several forms of communication are in place for our parents. These include school webpage, Facebook, Class Dojo, teacher emails, teacher newsletters, and phone calls and emails generated from PowerSchool. Communications sent in English and Spanish per the needs of our families.

Goal 3: Provide Families with Opportunities to engage within school environment

In compliance with our COVID-19 safety protocols, AES offered virtual opportunities for parents to engage with the school. We held a virtual PTO Open House, parent-teacher conferences, Family Reading Night, SIC/Title 1 meetings, and both virtual and in-person Student Assistance Team meetings.

MISSION, MOTTO AND BELIEFS

The MISSION of Arcadia Elementary School is to establish a strong foundation for lifelong learning and promote college and career readiness by challenging and nurturing all students, while providing a safe and respectful environment

We BELIEVE...

- in providing engaging, rigorous, and relevant instruction.
- student achievement increases when faculty and staff work in close partnership with families.
- That high expectations lead to positive results
- Kind words and kind actions should be emphasized daily

Purpose of this Report

This report is issued by Arcadia Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress, the work of the SIC, and accomplishments made by the school

5	70.2	53.6	77.2	69.4

Percentage of Students Scoring "Approaches, Meets or Exceeds"				
Grade Level	SC PASS Assessment			
	Science	Social Studies	2018	2019
4	47.1	62.2	N/A	N/A
5	N/A	N/A	71.4	56.9

A New Year brings new **GOALS** for our students at AES. Administrators, teachers, and staff regularly review our student's academic data. As we track student growth, our team sets SMART (Specific-Measurable-Attainable-Rigorous-Time Bound) goals for our students to meet. This year our school-wide goal focuses on math:

At Arcadia Elementary School, at least 75% of students will score 70% or higher on their problem solving benchmark.
