Phone: 469-8571
Fax: 469-8575

Ebenezer Middle School is located in a rural setting and serves approximately 360 students from the surrounding communities. The faculty and staff strive for academic excellence and continuous improvement for every student through a challenging, relevant, standards-based curriculum.

This has been a challenging year due to COVID-19. Parts of the year were spent with the students being fully virtual and then we moved to a schedule where students came to school 2 days per week and the other two were virtual with Wednesday's being Asynchronous. Students still had the right to choose 100% virtual. In Mid-April we returned to school face-to face five days per week and students could still remain virtual. We had 172 out of 360 students return to school face-to-face.

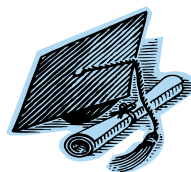

Sixth graders have been our biggest class of returnees. We have had teachers that have offered a variety of computer based activities in order to engage the students. We have administered the MAP assessment to analyze the students strengths and weaknesses. Special emphasis in reteaching has been given to these areas. We look forward to getting back to close to 100% face-to-face teaching at Ebenezer.

Sincerely,
Marlissa Morton
SIC Chairperson

Marlene De Wit
Principal

Mission Statement

The mission of Ebenezer Middle School is to provide a quality education for all students in a safe and orderly environment.

Vision Statement

Our vision is a school community where concern for students is the basis of all decisions.

Summary of Needs Assessment

During our school renewal process, our school and community agree after looking over our recent assessment data, that Ebenezer Middle should continue to focus on student achievement and school climate. The areas of literacy and mathematics remain part of our focus for improvement, and strategies have been developed and implemented to address them.

Our instructional strategies and activities such as utilizing ALEKS and Measures of Academic Progress school-wide along with professional staff development are all an integral part of our initiative to increase student proficiency in all areas of SC PASS and SC Ready.
