

ABOUT OUR SCHOOL

Cherryvale Elementary School serves over 475 students in PreK – 5th Grade with an average class size of 20 students. The school mascot is the falcon and the colors are blue and gold. Cherryvale Elementary School hosted a two week intensive dance academy through our partnership with Freed School of Performing Arts to provide experiences in the arts for our students. Any success that Cherryvale Elementary School has achieved could not have been accomplished without the support of our numerous community partners, and we sincerely thank them for their continued investment in our children and the community.
