Mission Statement

The mission of Cherryvale Elementary School is to ensure the highest quality education for all students, build character and instill a desire for lifelong learning.

SIC Annual Goals

STUDENT ACHIEVEMENT

During spring 2017, students in pre-kindergarten will complete **GOLD** assessments, while students in kindergarten will complete **DRA2** assessments. Students in grades three through five will complete **South Carolina Ready** or **ALT** assessments—in the areas of English language arts and mathematics. In addition, students in grades four and five will complete the **South Carolina PASS** or **ALT** assessments in science and social studies. To improve student achievement, administrators and staff will continue to focus on core instructional activities, which include the implementation of a new Multi-Tiered Systems of Supports process for students who require academic assistance.

TEACHER QUALITY

To support teacher quality and retention, administrators and district level personnel emphasize specialized training opportunities through school, district, state, and online program offerings.

SCHOOL QUALITY

Administrators and staff use data, surveys, parental input, discipline reports, and attendance records to focus on improvement.

“READ TO SUCCEED PROGRAM”

The Read to Succeed Program includes the implementation of classroom based literacy programs, which includes 90 minutes of uninterrupted reading time, and a reading intervention program.

Business Partners

Individuals and organizations who made donations to our school include the following partners:

Christ Community Church
Hillcrest Alumni
Harvest Hope
Graham Baptist Church and Janice Brunson
New Salem Baptist Church
Officer Dennie Sides and Therapy Dogs
Ms. DeBuse and Therapy Dogs
Siobhann Walmow
St. Agnes School, Vermillion, SD
St. Luke AME Church
Wayman Chapel AME Church
United Ministries

Note: Cherryvale partners with the Medical University of South Carolina to offer health care to students within the school. Telehealth provides a unique opportunity for students to receive healthcare, using technology to access medical providers.

Additional Initiatives

SPECIAL EDUCATION

Cherryvale Elementary School has a new playground area for students with severe physical impairments.

STEAM

With emphasis on **S**cience **T**echnology **E**ngineering **A**rts and **M**athematics (STEAM), teachers attend professional development training sessions and receive valuable strategies for classroom implementation.

ARTS IN BASIC CURRICULUM (ABC)

Cherryvale offers opportunities for the arts to flourish. For example, an artist in residence program gives teachers and students chances to infuse the arts in the basic curriculum.
