### VISION

The vision of Cherryvale Elementary School is to empower students to achieve through building family and community relationships.

### MISSION

The mission of Cherryvale Elementary School is to ensure the highest quality education for all students, build character, and instill a desire for lifelong learning.

### School Improvement Plan Goals

The large increase in the percentage of students scoring Met or Exceeds, created an achievement gap between our general education students and our students with disabilities group.

- **Goal 1** - Adjust classroom schedules to provide more general education support
- **Goal 2** - Provide curriculum support and training for special education teachers

## SIC Goals

1. Increase family capacity to support academic achievement of students with disabilities while maintaining achievement across the board by facilitating workshops designed to build parents' skills in supporting reading and math at home for students with disabilities.
2. Improve parent understanding of academic supports to drive student achievement by providing clear, accessible resources and sessions that help families of students with disabilities understand IEP goals, accommodations, and strategies for supporting grade-level learning at home.
3. Expand the impact of community-based academic support opportunities for students with disabilities by developing and supporting community partnerships that provide tutoring, mentoring, or enrichment specifically aligned to improving reading and math outcomes for students with disabilities.
