## PURPOSE OF THE REPORT

South Carolina Statute (Act 135 of 1993) requires each of the state's School Improvement Councils to publish and distribute an annual Report to the Parents highlighting the progress the school is making in achieving the goals and objectives of the school's strategic plan. The report is developed by the School Improvement Council to share the challenges and successes of the school, students, parents and teachers for the current school year.

## 2024-25 Annual SIC Report to Parents
