Additional Information

Dear Parents,

We are excited to present the 2017-2018 report. As you review the report, it is our hope that you will gain a sense of the same pride that we have in the academic and artistic achievements of our students and faculty.

R.E. Davis is a rural elementary school located in the eastern section of Sumter County, serving 271 students in pre-kindergarten through fifth grade. The ethnic composition of the student population is 87% African-American, 8% Caucasian and 4% other nationalities. They all learn differently, therefore, our teachers are constantly involved in the lives of the children. The teachers also make adjustments in their teaching strategies to help improve children learning.

We want to thank Coach Andrew Brock for the All-Pro Dads breakfast that was a huge success. The cafeteria staff also implemented a Breakfast Day celebration that the children enjoyed. In addition, Principal Michelle Curry-McBride initiated grade level clubs that take place every Friday. These various clubs allow students to have the opportunity to participate in a hobby or sport of their choice. Special appreciation is extended to St. Paul A.M.E. Church, Mulberry Baptist Church, Eastern School Alumni, United Way Ameri-Corps, NBSC, AllSouth and Homes for Heroes for their continued contributions and support.

We encourage our parents and community members to join our P.T.A. and become volunteers. Thanks again for your continued support.

With much pride and success,

Ms. Ida Britton, Chairperson
School Improvement Council

Michelle Curry-McBride, Principal
