Additional Information

Dear Parents,

R.E. Davis is a rural elementary school located in the eastern section of Sumter County, serving 301 students in pre-kindergarten through fifth grade. The ethnic composition of the student population is 85% African-American, 9% Caucasian and 6% other nationalities.

This school year has been filled with wonderful experiences for our children. We want to ensure our students are successful in all academic areas. Our School Improvement Council is always seeking ways to improve our school. Our teachers are participating in the Read to Succeed Professional Development. Several grade levels have been using the Chromebooks to enhance instruction.

We are grateful for our Eastern School Alumni and NBSC. They support our children through various efforts. We are also thrilled to have the AmeriCorp volunteers in our building.

We are continuing to enjoy the Ben Carson Reading Room. The students enjoy going there for independent reading. We encourage our parents and community members to join our PTA and to volunteer in our school. Thank you for continuing to support R.E. Davis Elementary School...

"The Future Starts Here!"

Educationally Yours,

Ms. Stacey Wilson, Chairperson

School Improvement Council
