Additional Information

Dear Parents and Guardians:

We are excited to present the 2018-2019 report. It has been a challenging year, but as you read this report, it is our hope that you continue your sense of pride that we have in the achievements of our students and faculty.

R.E. Davis is a rural (Pre-K- 8) school located in the eastern section of Sumter County, serving 441 students in pre-kindergarten through eighth grade. The ethnic composition of the student population is 88% African-American, 7% Caucasian, and 5% other (Hispanics, Asian, American Indians, etc.).

During the 2018-2019 school year, R.E. Davis Elementary School consolidated with Mayewood Middle School to form R.E. Davis College Preparatory Academy. They started new programs that included Leader in Me, Core Knowledge, and Curriculum and Advancement Via Individual Determination (AVID.)

Special appreciation is extended to Mrs. Beth Ann Young (Bookbag Buddies), St. Paul A.M.E. Church, Mulberry Baptist Church, Eastern School Alumni and United Way AmeriCorps for their continued contributions and support.

We encourage our parents and community members to become volunteers at our school. Most of all, we want you to visit R.E. Davis on a regular basis.

With much pride and success,

Ms. Ida Britton, Chairperson
School Improvement Council
