Ms. Allison Ryder, Assistant Principal

Dear Parents:

On behalf of the administration, faculty, and staff, we welcome each of you to Bates Middle School. It is our primary goal at BMS to provide our students with a quality education in a positive and safe environment that meets both their academic and social needs. We want to provide our students with a foundation that will enable them to become productive and competent life-long learners. As we strive for excellence, we want our students to explore and enhance their knowledge, skills, and talents to be successful in both middle school and beyond. Parents, it is very important that you play a part in your child's education. Please feel free to visit our school and to meet with your child's teachers. The more we can work together, the greater your child's educational experience will be.

Dr. Ayesha Hunter, Principal
