Vision

- Crosswell Drive Elementary will provide a positive and productive learning environment that seeks to develop and build critical thinkers, life-long learners, and productive citizens.
- Crosswell Drive Elementary School's vision is to make steady, incremental, and meaningful improvements in state-wide standardized assessments over a five year period resulting in the recognition of Crosswell Drive Elementary in the top 10% of performing elementary schools in the state of South Carolina.

Educational Strategies

- Crosswell Drive Elementary will strengthen early intervening/onset services for students in grades K-5 who show impacting weaknesses in the areas of ELA and Math.
- Increase systemic/school-wide data analysis and data-based decision making
- Strengthen the formal evaluation/observation process to identify areas of strength and weaknesses specific to professional learning opportunities for teachers and staff
- Increase District office collaboration efforts and identify additional resources for support
- Develop meaningful professional learning opportunities for teachers and staff as identified through formal evaluation and observation

ELA and Mathematics are our **Priority**

trends as well as other informal identified individual and school-wide deficiencies.

- Increase the effectiveness and fidelity of early onset intervention systems utilizing research-based curriculum and effective best practices.

Performance Goals

- Utilize data to drive daily instruction.
- Implement state standards in grades PK-5 and provide teachers with weekly professional development.
- Increase rigor, relevance, and relationship in classroom instruction.
- Implement small group instruction in reading and mathematics.
- Continue annual school-wide reading and math initiatives.
- Promote family and community engagement.
- Develop a multi-tiered system of supports.
