

The mission of Lemira Elementary School is to motivate, inspire, and educate all students to be college and career ready.

School's Vision

We envision:

A school where all parents/ caregivers are actively involved in the education of their children

A school where there is a strong connection between school, home, and the community.

A school where all students meet or exceed state standards for mastery in all areas.

A school where all children integrate what they have learned into real-world situations.

A school where the staff is supported and has the resources to do their jobs.
