Dear Parents and Guardians,

In cooperation with school leadership and the PTA, Millwood Elementary School's School Improvement Council prides itself on the goals and actions put forth in this historic school year to keep our students first. By focusing on student achievement through various modes of instruction, social-emotional health, and communication with our stakeholders, the students at Millwood continue to benefit from the work of the SIC. Service Projects, such as collecting holiday items for families in need · Partnership with various churches to provide much needed items and maintaining clubs for student opportunities in non academic success areas.

Through the hard work of the SIC, the council was named a top finalist for the Dick and Tunky Award for SIC Excellence for the 2019-2020 and the 2020-2021 school year. The SIC is committed to continuing to grow the council by inviting more parents to meetings and encouraging student involvement. Although the 2020-2021 school year continued to be disrupted by the pandemic, the SIC met virtually and supported the students and parents of Millwood. We look forward to expanding and creating more opportunities for our students in the coming years.
