Denmark-Olar High School offers a comprehensive academic program for students in grades 9-12. The program prepares students for success in higher education or a career. The school is accredited through the state of South Carolina and the Cognia international accreditation agency.

While still in high school, students can earn an associate's degree through dual credit enrollment.

ABOUT DENMARK-OLAR HIGH SCHOOL

On Saturday, September 12, 2020 the Bamberg 2 School District officially opened and dedicated a new and newly renovated campus that now houses all of the district's students.

The high school includes a new stadium, new dining area, and updated classrooms with smart boards, wifi and high speed Internet connections.

Denmark-Olar High School is located in Bamberg County, South Carolina, and serves the communities of Denmark, Olar, and Govan, as well as the surrounding rural areas.

Denmark-Olar High is a small school, with an enrollment of 177 as of Fall, 2020. The small size allows school personnel to offer individual guidance and attention to help students achieve their goals. Many graduates have achieved success and have returned to give back to the school and community.

The Washington Foundation (above) was created by former DO student Moses Washington, a Gates Millennial Scholar and recent graduate of Morehouse College. The foundation provides school supplies and other support to local students.

Denmark-Olar High School offers Credit Recovery, after-school assistance, and tracks students' academic progress. The JROTC program emphasizes the foundational qualities of character and service.

Students at Denmark-Olar High School participate in career day, college day, job shadowing, paid job training programs and a dual enrollment program. Below, the Denmark-Lions Club provided "mock interviews" to help students prepare for job and college interviews.

Denmark-Olar High School honors students who excel academically and provides them opportunities to further develop their talent and abilities. The school sponsors chapters of the National Honor Society, Beta Club, and the National Art Honor Society. Art students have received awards at the Claflin University Student Art Show, the South Carolina State Fair, the National Art Institute art competition, and the Dogwood Festival "Fresh Air" Art show.
