Greetings from KMMSA Jaguars,

I am thrilled to share with you the remarkable goals and achievements that Kingtree Middle Magnet School of the Arts have accomplished this year and the goals for the upcoming school year. It is with great pride and joy that I express how honored we are to have the community's unwavering support and trust as we continue to "Imagine Greatness" in the education for our scholars. One of our primary goals has been to provide a nurturing and stimulating environment that fosters both academic and personal growth. I am pleased to report that our dedicated team of educators has worked tirelessly to create innovative and engaging learning experiences for our scholars. Through collaborative projects, interactive lessons, and extracurricular activities, we have seen our students flourish and thrive in ways that inspire us all. This year at KMMSA we are estatic to have the fine arts magnet program in the areas of: Instrumental, vocal, dance, broadcasting, art, and drama. Scholars auditioned in the spring and will be placed in gifted and talented fine arts classes and recognized by the state department as gifted and talented in their fine arts area.

Here are KMMSA schoolwide goals:

Goal 1: By the end of the 2025-2026 school year, KMMSA will increase academic gains in ELA by and Math by 20% as measured by SC Ready/SC PASS scores

Goal 2: By the end of the 2025-2026 school year, KMMSA will reduce the number of discipline referrals and concerns in the classroom during instructional time from 50% to 20% through school-based interventions and mediations.

Goal 3: By the end of the 2025-2026 school year, to increase climate and culture within the school, KMMSA will provide quarterly professional development to teachers and staff using the 5 SEL's of Casel through ongoing professional development, as measured by teacher and staff surveys and interviews.

Goal 4: By the end of the 2025-2026 school year, KMMSA will increase community support through quarterly community meetings to discuss school academic and behavior needs and achievements.

Goal 5: By the end of the 2025-2026 school year, KMMSA will increase scholar enrollment within the fine arts magnet program.

As we reflect on our achievements, we recognize that none of this would have been possible without the support of our Kingtree community. Your engagement, collaboration, and encouragement have been instrumental in helping us reach our goals and create a positive impact on the lives of our scholars. We are truly grateful for your continued partnership and look forward to building on these successes in the future.

Thank you for being an essential part of our Kingtree Middle School of the Arts journey to continue to be “Driven, Determined, and Focused on Greatness”

Warm regards,

Ayesha Hannibal

Principal, KMMSA

“Driven, Determined, and Focused on Greatness”

“The mission of KMMSA is to establish creative, caring, and collaborative learning environment in which individual student needs are met by forming creative partnerships with all stakeholders.”
