Dear Parents and Guardians,

In cooperation with school leadership, W.M. Anderson Primary School's School Improvement Council prides itself on the goals and actions put forth in this historic school year to keep our students first. By focusing on Preparing, Aiming, and Working with Scholars to succeed by providing various modes of instruction, social-emotional health, and communication with our stakeholders, the students at WMAPS continue to benefit from the work of the SIC.

~Partnership with various churches to provide much needed items and maintaining clubs for student opportunities in nonacademic success areas.

The SIC is committed to continuing to grow the council by inviting more parents to meetings and encouraging scholar involvement. We look forward to expanding and creating more opportunities for our students in the coming years.

W.M. Anderson Primary School's Mission & Vision

MISSION STATEMENT

The mission of W.M. Anderson Primary School is to work to produce lifelong learners who are respectful, responsible, and productive.

VISION STATEMENT

The vision of W.M. Anderson Primary School is ***Preparing, Aiming, & Working with Scholars to Succeed!- P.A.W.S.***

SIC Annual Goal #1

The School Improvement Council for WMAPS School will continue to work with parents and the district office personnel to improve scholar attendance to reduce truancy.

Status: We have been working closely with the parents and the district personnel to implement attendance plans and home visits. We dropped by 2% to have an average of **91%** daily attendance which is about **339 scholars** being present daily.

SIC Annual Goal #2

The council will provide support and guidance to teachers as they enhance their instructional pedagogy. The committee support raising funds to help provide teachers with social emotional experiences that help with the culture and climate in building relationships.

Status: Added several fundraisers that provided meals for teachers during special celebrations and gifts throughout the year. Teachers were also able to connect and build relationships during this time of fellowship. Our academic coaches provided teachers with instructional support for the class and small groups.

SIC Annual Goal #3

The council will continue to work on school discipline to reduce the number of suspensions by creating behavior incentives monthly, quarterly, utilizing ISS and working to implement behavior procedures at the beginning of the year.

By implementing our new behavior plan and implementing incentives at the start of the year, the school improvement council is aiming to create a positive and supportive environment for scholars. This approach helps to reduce the number of suspensions while fostering a culture of responsibility and respect among scholars.
