Denmark-Olar Elementary is fortunate to have an outstanding community support group. The James Clyburn Foundation, Alpha Kappa Alpha Sorority, Inc., First Baptist Church, and Viking Alumni generously contribute to the success of students by providing book bags and school supplies for students. Mrs. Yolanda Ray and the Chappelle family are also consistent supports. We thank them for their latest donation of an Elmo document camera. Forever keeping our students' academic success at the forefront and rewarding them for their accomplishments are McDonalds and Hardees. They donate gift cards to honorees who make the honor roll and principal's list.

We thank all community partners for their outstanding support.

SIC Annual Goals

2022-2021 D.O.E.S. School Goals

The goals for D.O.E.S student achievement for students in the content areas of Reading and Math are to have at least 60% of students to achieve met or above on SC Ready. We want total buy in from faculty, staff, parents, and the community.

D.O.E.S. also aims to continue to increase parental involvement. Teachers have shared information from both the 1st benchmark and MAP data with parents via parent meetings in their child’s Google Classroom. Parents are also being encouraged to attend Title I Parent Meetings via their child’s Google Classroom. More parental involvement information will be discussed at the next meeting.
