

Mission:

With the support of our community, the mission of Blackville-Hilda High School is to create life-long learners who will have the ability to adapt to an ever-changing world.

Vision:

Our vision is to prepare and motivate our scholars to be independent learners and critical thinkers who are successful for today and tomorrow.

Purpose of the Report

The *Report to the People* is intended to inform the parents, patrons, and community supporters of Blackville-Hilda High School about the progress made by the faculty, staff, and students towards meeting the ambitious goals that we have established.

Blackville-Hilda High School is helping all students develop the world-class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically rigorous learning environment.

We demonstrate our mission by challenging our students with best practices to reach their full potential and by the continuous professional development of our faculty and staff.

A primary focus at Blackville-Hilda High School is a continued effort to promote dual enrollment coursework through our partnership with Denmark Technical College,
