*Congratulations!*

"Beth deserves TOY for so many reasons but mainly due to her dedication to our students and staff. She steps in whenever needed without question and always keeps the best interests of our students at heart. She is the ultimate team player. She is a source of support, knowledge, and encouragement. In addition, she is constantly seeking professional growth and is reflective in her own practice - two characteristics which show how truly passionate she is in her position as a literacy coach."

*Congratulations!*

"Tonya Lemmons is a great co-worker who is always willing to listen or offer advice and encouragement. She loves her students and is always looking out for their best interests. She goes the extra mile, has a great sense of humor and a big heart! We are blessed to have her at our school!"

"Ms. Lemmons loves her 4K students like they are her own children. She takes care of them and makes sure all needs are met. She works alongside Mrs. Lawton to ensure the kids behave and learn so much in their first year of public school."
