

Mission Statement

Clover High School will prepare each child for a successful and productive future.

Each child, each day....excellence.

Beliefs

The purpose of school is to design meaningful experiences where students acquire knowledge and skills to successfully explore the challenges of today and tomorrow.

The responsibility of leaders is to provide the time, resources, and collaborative environment that promote continuous improvement.

The focus of educators is to design engaging, meaningful work for all students and ensure that they learn to their highest potential.

The role of the school, parents, and community is to create a safe and supportive environment for all students to learn and thrive.

Core Values...

Meaningful experiences that shape students' vision for the future

Continuous improvement through collaboration

Individualized and personally relevant education

Safe and nurturing environment
