

Mission Statement

Clover High School will prepare each child for a successful and productive future.

Each child, each day....excellence.

Beliefs

The purpose of school is to design meaningful experiences where students acquire knowledge and skills to successfully explore the challenges of today and tomorrow.

The responsibility of leaders is to provide the time, resources, and collaborative environment that promote continuous improvement.

The focus of educators is to design engaging, meaningful work for all students and ensure that they learn to their highest potential.

The role of the school, parents, and community is to create a safe and supportive environment for all students to learn and thrive.

Core Values...

Meaningful experiences that shape students' vision for the future

Continuous Improvement through collaboration

Individualized and personally relevant education

Safe and nurturing environment

2011 Report Card Ratings

Overall – EXCELLENT
Improvement – EXCELLENT
AYP – Not Met

CHS Action Initiatives for the 2012-2013 School Year

1. Improve the transition from our feeder schools to ninth grade at CHS
2. Develop and implement a relevant and focused professional development plan for our teachers
3. Provide organized tutoring sessions for students in all content areas.
4. Improve our remedial programs for under-performing students
5. Improve our services to special needs students with a focus on academic performance in ELA and Math
6. Improve career guidance initiatives for all grades
7. Provide meaning full remediation for HSAP failures
8. Increase opportunities for our students to become involved in school-related activities
9. Implement APEX, an improved on-line curriculum for content and credit recovery

10. Encourage enrollment in AP level courses
