In partnership with the parents and community, we strive to prepare students to become productive, confident and responsible citizens by creating a safe, friendly, child-centered environment which addresses the social, emotional, and intellectual needs of each child.

We Believe:

1. Learning is a life-long process.
2. Choices and responsibility opportunities must be provided.
3. Diversity and cultures should be valued and respected.
4. Children should be provided engaging work.
5. Expecting the best leads to success.
