OUR BELIEFS:

The purpose of school is to design meaningful experiences where students acquire knowledge and skills to successfully explore the challenges of today and tomorrow.

The responsibility of leaders is to provide the vision, time, resources, and collaborative environment that promote continuous improvement.

The focus of educators is to design engaging, meaningful work for all students and ensure that they learn to their highest potential.

The role of the school, parents, and community is to create a safe and supportive environment for students to learn and thrive.

OUR MISSION:

The mission of Crowders Creek Elementary School, in partnership with the parents and community, is to prepare students to become productive, confident and responsible citizens by creating a safe, friendly, child-centered environment which effectively addresses the social, emotional and intellectual needs of each child.
