Rock Hill High School faculty and staff is facilitating the process for all students to develop the World Class Skills for Profile of the South Carolina Graduate by setting high expectations through rigorous coursework in all content areas. Rock Hill High has provided students the opportunity to be creative in academics, the arts, athletics, extra-curricular activities, character development, and community involvement this past year. For more information on academic achievement, go to the SC Department of Education School Report cards at ed.sc.gov/data/report-cards.

In Athletics, Rock Hill High Women's Wrestling team won it's 2<sup>nd</sup> consecutive SC High School League (SCHSL) Wrestling State Championship. Girls' Basketball finished 2<sup>nd</sup> in the state and Girls' Volleyball made it to the Upper State Championship. Other athletics achievements can be found at rockhillbearcats.net. All faculty and staff continued to focus on improving students' achievements on End of Course, ACT, and SAT testing. Graduation rate has improved, and we will continue to focus our efforts on improving in all areas. We will continue to work with students to provide the world-class knowledge and skills needed to compete in a global society. The Positive Behavior Interventions and Supports program continued this year to improve school climate and character education at Rock Hill High School. Students continue to be recognized with Bearcat Bucks for showing Bearcat PRIDE (Participation, Respect, Integrity, Dedication, & Excellence). We hope to have continued success with our positive intervention program.

Rock Hill High's SIC has contributed to the school and student success with establishing these goals and initiatives toward overall school improvement:

### SIC Goals for 2023-24 were:

- Improve Teacher and Staff morale at school
- Student focused contest for reducing undocumented absence/behavior referrals
- Improve Parent Communication to and from School

### SIC Outcomes for 2023-24:

- Student focused contest for reducing undocumented absence/ behavior referrals
- Contributed to parent communication to and from school through school newsletters, social media and networking.
- Held 7 plus teacher/staff treat events where food/desserts were provided. Provided cookies for new teacher bags.
- Provided a Snack Cart that was stocked with treats and waters for teachers/staff to grab-n-go during the school day.

Note: The RHHS SIC collaborated with many Rock Hill Community businesses, organizations and RHHS families to be able to shower the teachers and staff and students at Rock Hill High with treats, food and rewards. As an SIC, we strongly felt that all we did to raise the teacher and staff morale also had a positive impact on the students as well. We will continue our efforts to appreciate teachers and staff and to hold this attendance incentive contest in future years and gather data. We truly could not have accomplished everything that we did this year without those community, business and family member sponsors. A special thank you to all of them for their collaboration with us this year.
