ADDITIONAL INFORMATION

Our school community is excited to announce an upcoming opportunity to enhance family engagement. Following the success of our MultiLanguage Parent Night earlier this year, we are thrilled to host another event in August. This gathering will serve as a platform for parents to connect, share ideas, and build stronger relationships with the school. Additionally, we invite parents interested in taking a more active role in shaping our school's future to join the School Improvement Council (SIC) for the 2026-2027 school year. Please reach out to Ms. Stillwell at 803- 981-1300 for more details. Stay tuned for more information about our 2026-27 SIC Committee and how you can get involved in making a difference in our school community.

In addition to the SIC, parents are invited to participate in volunteer opportunities and workshops throughout the year, which provide excellent ways to engage with our school. These activities not only foster a sense of community but also allow parents to contribute directly to the enrichment of our students' educational experiences. We look forward to building a vibrant network of collaboration and support.
