

School Activities and Achievements

Ending the year with remote learning due to the COVID-19 pandemic, we were able to recognize our 5th grade students move to middle school with a motivating speech from DJ Burns, Winthrop University Men's Basketball player. Belleview's 2020 – 2021 school year has been a unique year. We began with our school year under COVID-19 safety protocols on a hybrid schedule. Many of our students chose to attend the Virtual Academy. Our annual school activities, such as Terrific Kid Ceremonies and American Education Week Guest Readers did not take place this year.

To enrich and empower the whole child to be a successful global citizen.

SIC Annual Goals

The annual goal for the School Improvement Council is to increase school partnerships. We are developing partnerships with Sonny's Barbeque, Salsarita's Fresh Cantina, North Rock Hill Church and the Episcopal Church of Our Saviour.

Student Achievement

Our students take Measures of Academic Progress (MAP) assessments up to three times a year, once in the fall, winter, and spring. Kindergarten through 5th grade students take MAP assessments in Reading and Math. We look for growth from spring to spring.

Due to the COVID-19 pandemic, South Carolina Schools did not take state standardized test, SC READY and SC PASS during the spring of 2020.

For more information on past year's testing results, you may view Belleview's "S.C. School Report Card" online at www.ed.sc.gov."

Additional Information

Belleview has 425 students. Belleview is unique because it has 2 special needs self-contained classrooms and over 80 students with special needs. Our teachers work hard to meet the needs of all our students.

At the end of the 2020-2021 school year, Belleview Elementary will permanently close. Depending on their residence, our students will attend Independence Elementary, Northside Elementary or Sunset Park Center for Accelerated Studies,
