

Ebinport Elementary Title 1: Report to Parents 2022-2023

SIC Co-Chairs: Jessica
Morton and Rhonda Kelsey

Ebinport, in partnership with our School Improvement Council, recognizes that we are the refuge of life for many students, and that is only achieved by treating students as individuals with their own thoughts, feelings, ideas, and emotions. The reality is we take the time to know children on a personal level and help guide them through productive struggle that builds resilience and independence preparing them to embody the profile of a South Carolina graduate. Your SIC works diligently to ensure we adhere to this commitment in a variety of ways
