

School Improvement Council

The School improvement Council (SIC) serves as an advisory committee for the school. Unlike voluntary school organizations, the SIC is mandated by law to exist in every public school in South Carolina. SICs play a key role in education of our state's children, bringing together parents, educators and community stakeholders to collaborate on the improvement of their local school. (To learn more about SICs in South Carolina, please visit <https://sic.sc.gov/>) Meeting dates are located on the Richmond Drive calendar, E-news and social media.

Elections are held each year.
