

SIC GOALS

The goal of the SIC includes involving families and building relationships with families at Richmond Drive Elementary.

Actions Taken

- ❖ Publicize family orientation sessions.
- ❖ Publicize participation in the Title 1 Family Nights (virtual)
- ❖ SIC members attend PTO meetings.
- ❖ Create a post card to welcome all new families to RDES.

Actions of the SIC increased participation in Title 1 events and PTO. PTO was able to enlist a core group of family members to organize events and support the school virtually. Close to 100% of our families participated in orientation with teachers. Feedback included families requesting orientation again in lieu of open house night as better connections were made.

Richmond Drive Elementary officially kicked off the school year on August 26, 2020 with family orientation. Close to 100% of families participated in the orientation sessions with teachers.

MAP testing was completed early in the year. Data showed students in first through fifth grades had deficits in both reading and math.

Coaches from our district level and school level worked closely with teachers to enhance learning by focusing primarily on reading and math.

Fall to Winter MAP data showed significant gains in many areas by students in first through fifth grades.
