SCHOOL ACHIEVEMENTS

A major rezoning took place in our district this year. Richmond Drive received 75% new students from five other schools. Relationships among students, staff and families was a focus for all.

Richmond Drive Elementary officially kicked off the school year on August 12, 2021, with a family meet and greet with approximately 80% of our families attending.

MAP testing was completed early in the year. Data showed students in first through fifth grades had deficits in both reading and math.

Coaches from our district level and school level worked closely with school coaches and teachers to enhance learning by focusing primarily on reading and math.

We are proud of our school and the success and learning by all. Fall to Spring MAP data showed significant gains in many areas by students in first through fifth grades.
