Looking for Ways to Get Involved? Here are some ways you can help:

- Assistance with providing drinks for our after-school program
- Volunteers to assist students during after-school tutoring
- Chaperones for field trips such as college visits
- Sponsorship for student and teacher incentives
- Mentors for students in various areas of the school setting
- Community connections for future Work-Based Learning placements

SIC Goals

- Assist with improving school climate by assisting with the annual Family Night
- Assist with improving student achievement by offering incentives for students who show the most growth on EOC tests
- Develop ideas to implement the six design principles for High Schools that Work
