

Mission:

Williston-Elko High School will provide a safe, supportive learning community that empowers students to become problem-solvers, engaged citizens, and compassionate people who own their future.

Vision:

The vision of Williston-Elko High School is to create independent, responsible learners and citizens for the future.

Shared Values and Beliefs

Success of all Students

All students are capable of academic and personal success through positive support from all district stakeholders.

High Expectations

Expectations for students, parents, and staff are clearly defined, understood, and upheld. Students are empowered, supported and trained to become productive, successful members of global environments.

Respect and Integrity

Trust, transparency, and mutual respect define interactions between stakeholders.

Teamwork

The district utilizes collaboration and innovation to ensure student success in an encouraging environment. Decisions are made with stakeholder input and participation. Successes are recognized and celebrated.

Safety

Adequate resources ensure schools and work sites are safe and orderly.

Effectiveness and Efficiency

Financial and human resources are managed effectively and prioritized to meet goals and expectations.

Advancement

All stakeholders will be committed to continuous improvement by cultivating academics, life lessons, resources, safety, and morale through effective communication and progress evaluation.

Williston-Elko High School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment.

We demonstrate our mission by challenging our students with best practices to reach their full potential and by the continuous professional development of our faculty and staff.

A primary focus at Williston-Elko High School is a continued effort to promote dual enrollment coursework through our partnership with Denmark Technical College, a well-rounded Career Focused Experience with local CATE courses, Barnwell County Career Center Courses, and numerous Work Based Learning Opportunities. We are forming community minded individuals through service projects and community held programs.
