The Covid Slide

What this chart shows us

We have lots more children that have fallen below grade level in both reading and math due to school closures.

Please help us by having your child present everyday. That includes in person days and at home days. Attendance is taken based on work turned in for at home days.

We need you to truly be a partner in education this year.

School Closures

On March 16, 2020, our schools closed due to Covid-19 pandemic. We moved quickly to online teaching for 3-5 and sending packets of work home for k-2. We missed our students and are so glad to be back, partially, on an A-B rotation. About 35% of our students are still being taught virtually through the Rock Hill Virtual Academy. We look forward to the day that we can have school 5 days a week with all students.

A Little about School Improvement Council

A School Improvement Council (SIC) is an advisory body to the principal and school. State law requires that every K- 12 public school have an SIC that includes:

- At least two parents elected by parents.

- At least two teachers elected by teachers.
- Community members who do not have children enrolled at the school, appointed by the principal.
- The principal and other ex-officio members.

Our PTA takes such good care of our staff and students and helps SIC with projects

We are exploring becoming a performing arts school.

York Road Elementary

 Facebook

York Road is located at 2254 West Main Street, Rock Hill, SC. Call us at 803-981-1950. Fax us at 803-981-1961.

York Road was built in 1972. We are a student body of approximately 400 students that are served by a dedicated staff of nearly 50 individuals. Every classroom is equipped with Promethean Interactive Boards or Touch Panels, and Front Row ProLogic audio equipment. We have a computer lab, and students in grades 3, 4 and 5 are fully integrated with 1 to 1 technology.
