Mount Gallant Gives Back

Community involvement is a key component to our school's success. We believe that our students should have awareness of the needs of our community and beyond. Throughout the school year, the MGES family has donated money, time, and support to various groups including American Heart Association, Leukemia and Lymphoma Society, Red Cross, Salvation Army, and the Catawba Nation Food Pantry.

Purpose of SIC

Mandated by law, the School Improvement Council (SIC) serves as an advisory group to the school. The SIC brings together parents, school faculty, and community stakeholders to work together to collectively establish, monitor, and evaluate specific long and short range goals for student achievement. In addition the SIC is a resource for parents, community members, and faculty members to share ideas and concerns about the school. Other functions of the SIC is to provide an annual school report to parents and the community and increase parental awareness and involvement of SIC initiatives. The MGES SIC meets bi-monthly prior to PTA in the school media center.

2015 – 16 SIC Goals

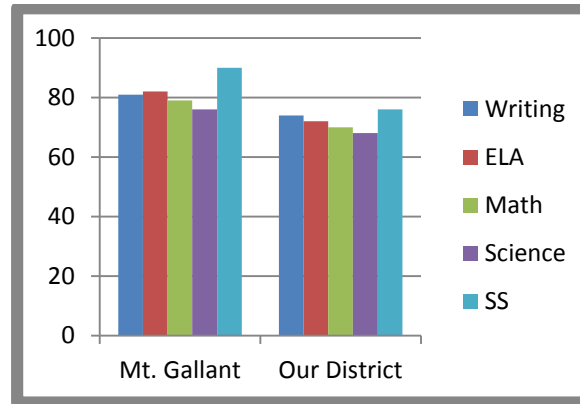

- 1) Reestablish SIC as its own parent advisory committee separate from PTA.
- 2) Survey parents for feedback on meeting times, communication, family nights, and staff-parent relationships.
- 3) Promote kindergarten enrollment to all areas of our zone for early registration
