

School Improvement Council

The mission of the STMS School Improvement Council (SIC) is to serve as an advisory council for the school. It is comprised of parents and community members. As well as students and staff members. Members of the SIC can either be appointed or elected. Each year this SIC has goals that they work on that align to the schools improvement plan.

- 73.9% of ML students who met progress toward proficiency target.

What is a STEAM educated student?

A STEAM educated student is an innovative, self-reliant problem solver, a logical thinker, and a technologically literate individual who is able to relate their own culture to the learning. The STEAM educated student develops competencies in applicable life skills and becomes a life-long learner. The ARTS in STEAM allows students to express themselves creatively and encourages students to find balance in their lives.

STMS STEAM Vision

STEAM students have the skills, knowledge, and thinking strategies that prepare them to be innovative, creative, and systematic problem-solvers in STEAM fields of study and work.
