OUR MISSION

**AT GOLD HILL, WE CONNECT BY
WORKING TOGETHER, GROW THROUGH
TEACHING AND LEARNING, AND CHOOSE
KINDNESS BY HELPING OTHERS.**

During the 2020-21 school year, we engaged in a process of re-establishing our school mission statement.

We worked together with our staff and SIC to receive input into this process.

Mission & Vision

Effective collaboration around the four guiding questions to ensure high levels of learning and growth for all students.

We continue to emphasize collaboration within our school teams at GHES. Our teams have done a tremendous job of committing to working together despite some teachers teaching students face-to-face, while others have taught through our virtual academy this year. We believe we can accomplish more together than we can as individuals, and we strive to compliment each other's strengths as we work to ensure high levels of learning and growth for all students!
