## GOALS FOR SPRINGFIELD ELEMENTARY SCHOOL

**Teaching and Learning:** Our goal is to continue to show growth and increase student achievement on SC Ready, SC PASS, STAR, and F&P assessments. Teachers collaborate weekly using PLC's in math and ELA to help achieve these goals. The teachers also set professional growth goals within their SLO's, which they self-reflect and collaborate with others to grow as an educator.

**Continuous Improvement:** Monthly professional development is provided in the areas of math, literacy, and STEAM. We also continued our partnership with Discovery Education to enhance our instruction. We also started Teachers as Leaders, where teachers provide professional development to each other based on their strengths.

**Leadership and Communication:** SFES provided opportunities for families to be active participants in their child's academic growth virtually, by offering events such as: Meet the Teacher, Literacy Night, STEAM Night, various Writing Celebrations, & other opportunities. We strive to have effective communication with parents by utilizing weekly Tuesday folders, Web Page, Hoofbeat Weekly Newsletter, Weekly Colt Courier news for staff, #SESHoovesUp Twitter Account, and PTA Facebook Page.

**Resources, Safety, and Student Support:** We continue to support students through our MTSS process to identify students who need intervention. We have a full-time security guard and use flexible groups for intervention. We strive to be above 95% for satisfaction of physical and social environments. With COVID, we provided masks and desk shields for all students as we also implemented other COVID-19 safety protocols.

## SERVICE LEARNING & COMMUNITY PARTNERSHIP

**Junior Achievement:** This program partners with community leaders to teach students how they benefit from and contribute to the success of their community.

**LEAD Program:** "Leadership Exploration, and Development" is in its 5th year. This mentoring program was established with LifePointe Church in order to create a positive relationship between students and their mentor and help develop leadership potential.

**One School, One Book:** For our sixth year in a row, our school families participated in this program, by reading "Fenway and Hattie". We held a virtual breakout room as a culminating activity for families.

**Community Assistance:** Participated in the Angel Tree Project to provide food, clothes, and toys for SES families.

**Winthrop Partnership:** SFES continued into year Four of its partnership with Winthrop University. We hosted several aspiring teachers during their internships from Winthrop as well as other universities.

**Host Teacher Cadets:** Continued partnership with Nation Ford High School to support the teacher cadet program.

**Gardening Club:** Lowes assisted SES and the gardening club by supplying materials and resources for our students to grow and maintain a garden.

**Area Beautification:** Boy Scout Troup 108 partnered with SES to assist with beautifying our school grounds by sprucing up the entrance sign, weeding, adding addition pavers, planting new bushes, and much more.

**Fundraising:** SES has continued our partnership with Boosterthon to assist us with fundraising to help support our students. We had funds for our school library, make our playgrounds more enjoyable, and beautify school.
