GOALS FOR SPRINGFIELD ELEMENTARY SCHOOL

Teaching and Learning: Our goal is to continue to show growth and increase student achievement on SC Ready, SC PASS, STAR, and F&P assessments. Teachers collaborate weekly using PLC's in math and ELA to help achieve these goals. The teachers also set professional growth goals within their SLO's, which they self-reflect and collaborate with others to grow as educators.

Continuous Improvement: Monthly professional development is provided in the areas of math, literacy, and STEAM. We also continued our partnership with Discovery Education to enhance our instruction. We also started Teachers as Leaders, where teachers provide professional development to each other based on their strengths.

Leadership and Communication: SFES provided opportunities for families to be active participants in their child's academic growth virtually, by offering events such as: Meet the Teacher, Rodeo Night, various Writing Celebrations, Literacy Night, & as well as other opportunities. We strive to have effective communication with parents by utilizing weekly Tuesday folders, Web Page, Hoofbeat Weekly Newsletter for parents, Weekly Colt Courier news for staff, SES Facebook Account, and PTA Facebook Page.

Resources, Safety, and Student Support: We continue to support students through our MTSS process to identify students who need intervention. We utilize flexible groups for intervention. We have a full-time security guard on campus. We strive to be above 95% for satisfaction of physical and social environments. Our school safety team meets twice yearly to determine our needs as a school.

COLTS choose to:

- Do our best
- Be Responsible
- Take care of each other

SERVICE LEARNING & COMMUNITY PARTNERSHIP

LifePointe Church Partnership: LifePoint offers assistance through supporting our staff with various ways to show them recognition and support students by being highly involved in a mentor program.

Student Food Pantry: Collaborated with the NAFO Beta Club, Foundation of Fort Mill, Fort Mill Church of God, and Carolinas Rehabilitation Pineville Outpatient Clinic to begin the services for our Food Pantry to support our families with additional food and classroom snacks.

Snack Drive: Families donated snacks and other items to support our community by providing these items to the Fort Mill Care Center.

Charlotte Hornets Reading Bus Event: Representatives from the Charlotte Hornets came to present and motivate students about the importance of reading. Many students were able to pick out books from the Hornets Book Bus.

Community Assistance: Participated in the Angel Tree Project with the partnership of the Church of God to provide food, clothes, and toys for SFES families.

Winthrop Partnership: SFES continued into year Five of its partnership with Winthrop University. We hosted several aspiring teachers during their internships from Winthrop as well as other universities.

Host Teacher Cadets: Continued partnership with Nation Ford High School to support the teacher cadet program.

School Clubs: The SFES gardening club grew and maintained a school garden. We had a boys running club called "Let Me Run, and a girls club called "Girls on the Run".

Camp Invention: program inspires curiosity and helps kids build essential STEM skills through collaboration with friends and one-of-a-kind creative problem-solving experiences. Campers explore hands-on challenges and open-ended adventures designed to encourage new discoveries and bring big ideas to life.

Fundraising: SFES has continued our partnership with Boosterthon to assist us with fundraising to help support our students. We raised funds for classroom resources and supplies. Families were able to learn about and donate to the St. Jude Foundation during our STEAM night.

Penny Wars: A Fundraiser between grade levels to support MaxAbilities in Rock Hill, SC. MaxAbilities help people with disabilities to discover their own unique abilities. Everyone should have the opportunity to Maximize those abilities regardless of their challenges.

Thanksgiving Food Drive: Initiated by our first grade team, families donated food and other items to support our community by providing these items to the Fort Mill Care Center.

Public Library: We partnered with the local public library to promote reading and other literacy type events that students can participate in throughout the year.
