Beliefs

- ❖ We believe that student learning is the primary focus of our school.
- ❖ We believe that all decisions must be based on what is in the best interest.
- ❖ We believe that the diversity of our student populations must be celebrated and reflected in programs and priorities.
- ❖ We believe in preparing students with skills and knowledge that provide opportunities to pursue careers.
- ❖ We believe that students learn best when they are actively engaged in learning.
- ❖ We believe that instruction should stimulate higher order, creative, and divergent thinking skills and help students apply learning beyond the classroom.
- ❖ We believe that instructional programs should foster a love of learning and challenge students to be lifelong learners.
- ❖ We believe that students should be equipped with the 21st Century skills necessary to be successful in our global society.
- ❖ We believe that assessments are valuable tools to monitor student progress and guide instruction.
- ❖ We believe in building a safe, nurturing, family-friendly, student-centered learning community.
- ❖ We believe that each student is valuable and it is our responsibility to untruly his or her individual physical, social, emotional, artistic, and intellectual needs.
- ❖ We believe it is our responsibility to set high expectations for behavior as well as learning to ensure students become productive citizens in our society.
- ❖ We believe we are partners with parents and the community and should work as a team to meet the needs of our students.

Teacher of the Year/WSD 29 District Teacher of the Year

Mrs. Henrietta Williams 7th Grade ELA

"It has been an honor to serve as Teacher of the Year for Williston-Elko Middle School. I have grown professionally and personally because of my attendance at the regional forum and the state convention. Thanks to my Williston family for believing in me and supporting me as well." Ms. Henrietta Williams
