School Improvement Council Purpose

Mandated by law, the SIC serves as an advisory panel for the school. The SIC brings together parents, school faculty, and community stakeholders to establish, monitor, and evaluate both long and short range goals which can impact student achievement.

In addition, the SIC provides an annual school report to parents and the community in order to increase parental awareness and involvement of SIC initiatives.

Annual Report

The goal for Nation Ford HS and our School Improvement Council is to share this Annual Summary Report with parents and community members who are interested in our school. The report provides information about our student academic achievement, school accomplishments, programs, and community service and involvement.

SIC Goals

- 1) The Nation Ford High School SIC will provide opportunities, initiatives, program, events, and activities to increase parent involvement at Nation Ford.
