

TEST DATA

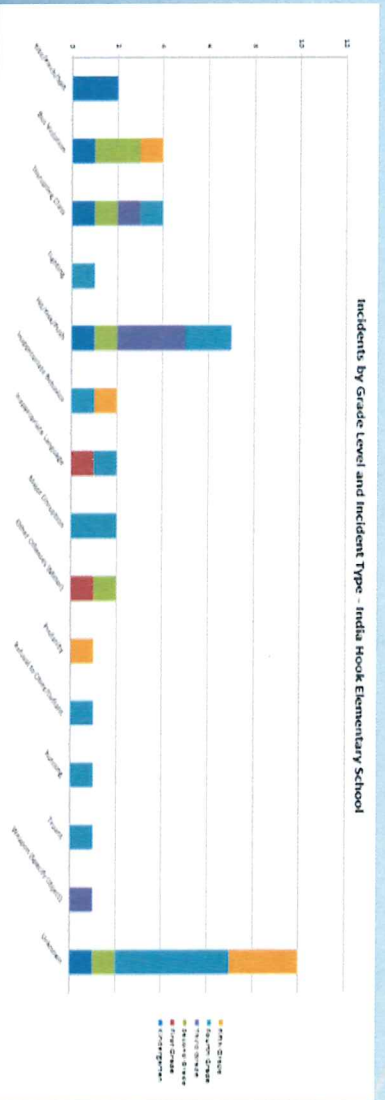

Last year our state had 3-5 graders take ACT Aspire for reading, writing, and math. The data that was gathered did not provide valuable information for parents or teachers. If you wish to see the data, go to <https://ed.sc.gov/data/test-scores/> In science and social studies our students scored well. That information is also at the site above.

Enrollment Summary

65% White
17% African American
10% Hispanic
8% Other

Poverty Index of 45%
Go to <http://www.ed.sc.gov/assets/reportCards/2015/elem/c/e4602029.pdf> for more information about our school's data.

PBIS is Positive Behavioral Interventions and Supports. Please plan to be a part of our implementation and training next year. SIC will play a big part in data gathering and analysis.

India Hook will be a PBIS Pilot School

What is School-wide PBIS?

One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, buses, and restrooms). Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

Board Chair- Jim Weaving
and Molly Cushing
Principal- Crystal Guyton
Assistant Principal- Kevin
Hood

RTI at India Hook

Response to Intervention (RTI) is a systematic implementation that reviews student performance and the response by teachers who serve them. When students enter the RTI process, it is based upon student performance, and teacher observation.

RTI is based upon 3 tiers of instruction. Tier 1 is classroom instruction that all students receive. If students have difficulties mastering concepts, they are then moved into Tier 2 instruction where they receive extra support within smaller groups. Currently, grade levels have incorporated a period during the day in which students are receiving Tier 2 interventions based on the level of support that is needed. Tier 3 instruction is the most intensive intervention students receive with one on one support.

Fun Run 2016 was a huge success! We exceeded our goal of 30,000 dollars. Thank you to all of the PTA members that made this possible.

“The world is hugged by the faithful arms of volunteers.”

Terri Guillemets

Teachers in all grades follow our district literacy guide. Guided reading, writers' workshop, word study, and independent reading are all a part of the two hour literacy block. 3rd, 4th, and 5th are one-to-one with iPads and use these tools throughout the day.

FITNESS TRAIL

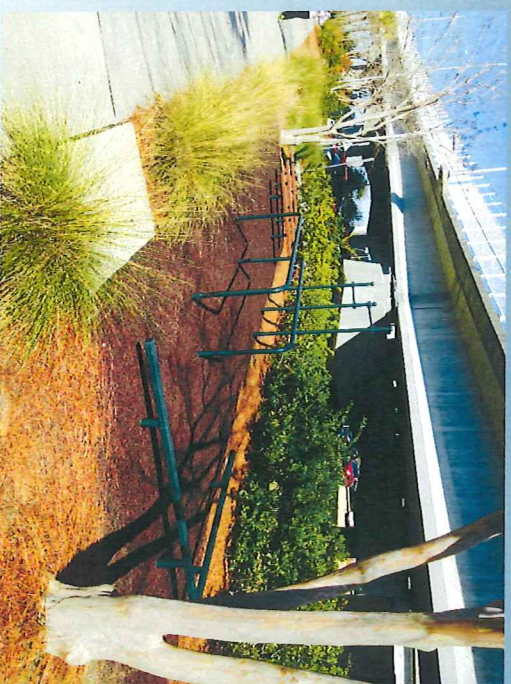

We still need you to help our dream come true of a fitness trail around our school property.

Please become involved in our SIC by contacting

cguyton@rhmail.org or

kroof@rhmail.org. Our goal next

year is to complete Phase 1 and Phase 2 our long range plan.

Without our awesome volunteer force, we would be lost. Our volunteers help teachers with daily tasks, provide encouragement through treats and meals, and plan awesome events to help raise money through PTA.

Our PTA supports our school students by providing subscriptions for educational websites, purchasing a golf cart for our PE program to easily move equipment to fields, providing books for our literacy closet, providing classroom supplies and resources for teachers, and so much more.

If you can volunteer, we need you. If you are willing to be a part of this awesome team, please contact

IndiahookPTA@gmail.com to find the perfect fit for you and your schedule.

FITNESS FOCUSED INDDIA HOOK

The best part about our Pirates being active is how many family members join in and are active with us. We strive to create an environment that encourages and fosters healthy lifestyles. India Hook students are fortunate to have Administration/Faculty/Staff value exercise and incorporate opportunities for active students. Whether it is walking outside in the mornings before school, walking the hallways on rainy days, GoNoodle in the classroom, Family Fun and Fitness Night, Field Day, Fun Run, Walk to School Days, and many more. Our goal for next year is to provide even more parent and community involvement for active students. An active body produces a more active brain.
