What Is an SIC?

How Can I Serve?

A School Improvement Council (SIC) is an advisory body to the principal and school. State law requires that every K-12 public school have an SIC that includes:

- At least two parents elected by parents.
- At least two teachers elected by teachers.
- Community members who do not have children enrolled at the school, appointed by the principal.
- The principal and other ex-officio members.

Fitness Focused School

Our school is a fitness-focused school because brain research shows us that fitness and nutrition affect learning. Evidence of this includes our fund raising events, our daily practices, our vending, our family fitness nights, and our classroom activities that promote movement. Our SIC rallies behind our lunch and learns and Walking Wednesdays.

We want to continue our focus of fitness next year and know that there are many parents that have great ideas that can make our kids stronger and healthier. If you would like to be a part of something great and good for kids and families, let Ms. Roof or Mrs. Guyton know.
