A Little about School Improvement Council

A School Improvement Council (SIC) is an advisory body to the principal and school. State law requires that every K- 12 public school have an SIC that includes:

- At least two parents elected by parents.
- At least two teachers elected by teachers.
- Community members who do not have children enrolled at the school, appointed by the principal.
- The principal and other ex-officio members.

Fall 2020 to Winter 2020 Growth Category by School

Top Achievement and Growth For MAP Testing Pie a Principall

Also... 1. in May and before at June

How to Win (Pie a Principall)
(Based on Spring MAP Tests)

- 1. Highest scores in Reading
- 2. Highest growth in Reading
- 3. Highest growth in Math
- 4. Highest growth in Math
- 5. Highest growth in Math

Teacher who signed nominations given on each grade level.

Presented by Mr. Roorda at Dr. Fielder

#GOALS

How Can I Achieve This?

1. Pay attention in class and try your best
2. Read every day
3. Practice your math fact fluency
4. Complete all of your work every day
5. When MAP testing (Show your time)

MAP Testing Data for 2020-2021

With COVID-19 ending our school year early for the 2019-2020 school year we did not take state tests for that year. The district focused a lot on MAP testing this year and looking at growth from the Fall to the Winter in Reading and Math. Above shows how India Hook performed as a school

Mr. Roorda and Mr. Fielder added a layer of excitement for students to do their best on Spring MAP tests. Each classroom will have 8 students get to pie either administrator in the face for excellent performance on their reading and math MAP tests. Two students from each category will get that privilege: Highest math score, highest reading score, most growth from Fall to Spring in math, and most growth from Fall to Spring in reading.

Read Across America Week

A first grade team dressing up as book characters for Read Across America week was just one of the fun activities that IHES got to enjoy.

100th Day of School

What's more fun than dressing up like you are 100 years old on the 100th day of school?

Upper Grade Responsibilities

Once students get to 4th and 5th grade a lot more opportunities are available for these students. Students have responsibilities like putting up and taking down the flag, setting up the gym, and helping out with leadership roles. This year has been a little different and we weren't able to do other activities like: Let Me Run, Safety Patrol, Reading Buddies, and so much more.

India Hook Elementary

We are a school of about 550 students which includes around 170

students that are in the Virtual Academy. We opened our doors in 2007. We love our location nestled in a small neighborhood off of Twin Lakes Road.

Morning Meeting

With so much going on this year IHES has continued with our focus of Morning Meetings in each classroom. Morning Meetings has been a great opportunity for teachers and students to connect as a classroom family.

The Coffee Bean

India Hook's professional development this year has focused on social and emotional learning. One of our main focuses has been being the change that we want in our environment.

"Life is often difficult. It can be harsh, stressful, and feel like a pot of boiling hot water. The environments we find ourselves in can change, weaken, or harden us, and test who we truly are. We can be like the carrot that weakens in the pot or like the egg that hardens. Or we can be like the coffee bean and discover the power inside us to transform our environment."

PBIS CREW Celebrations

Each week teachers celebrate two CREW members in their classroom for either: Creating a positive environment, Respecting each other, Excelling, or Working together.
